

The Price of Coal

A Disability History Roadshow

Saturday 23 March

2013

National Waterfront Museum, Swansea

Programme of events

10:30am Exhibition stalls open

11:00am David Turner, Disability History: What's it for, who's it for and why is it important? A short introduction to the history of disabled people, showing the variety of sources available and discussing the relevance of the topic for issues facing disabled people and their families today.

Dockside Room

11:30am Steven Thompson, 'See the Federation about it': The South Wales Miners' Federation as a disability organisation.

Dockside Room

12:00pm Keynote address and official opening of the Roadshow by Rhodri Morgan
Main Hall

12:30pm Ceri Thompson (Curator of Big Pit: National Coal Museum), A talk about items of mining equipment from the National Museum's collection.

Dockside Room

1:00pm Anne Borsay, 'Fit to Work': The Talygarn Rehabilitation Centre. A short film and discussion about how injured miners were returned to employment during the Second World War.

Warehouse Gallery

2:00pm Fighting for compensation: Hywel Francis MP in conversation with Terry Thomas (former South Wales NUM vice-president), Verdun Price (former lodge secretary, Coegnant Lodge) and Julian Tudor-Hart (former GP at Glynccorwg).

Warehouse Gallery

3:00pm Ben Curtis, Adding Insult to Injury: The case of Frank Eaves, a disabled miner. A talk on the case of an individual miner from the Rhondda Valley in the Edwardian period.

Dockside Room

BSL translation will be provided in all of the talks

In addition, the **Waterfront Workshop** will host performances of **nineteenth-century mining ballads** by Robert Strafford and Roland Emmanuel at 11am and again at 12:30pm, and **readings from literary and historical sources** on mining in south Wales at 11:30am and 1pm

Also present will be:

Glamorgan Family History Society; Jeff Towns, Dylan's Bookstore (with antiquarian books on mining); Llafur: Welsh People's History Society; South Wales Coalfield Collection, Swansea University; archive offices from south Wales (Carmarthen, West Glamorgan, and Glamorgan); The National Museum of Wales (mining artefacts); Coal Industry Social Welfare Organisation

People's Collection Wales will be available to digitise documents and photos brought by visitors and will operate a memory booth at which visitors can have their recollections of the mining industry recorded

Admission is free and a warm welcome is extended to all
